

VICTORIA J SMITH OPTICIANS

Family Optometrist & Contact Lens Practitioner

FREE Home Eye Tests

If you cannot get to us without assistance, you can receive a FREE NHS funded eye test in the luxury of your own home

✓ Call and pre-arrange a time.

Eye tests conducted using state of the art, portable diagnosis equipment for use in the home.

✓ If you need glasses, Victoria will help you choose from a large selection. If you are particular about the kind of frames you want to wear, be it rimless or black framed, let us know in advance and we will bring frames that cater to your taste.

✓ Victoria will then deliver your new glasses and ensure they are fitting correctly and provide a full aftercare service in your home.
